flashlight and glass breaker

ISBB47

PRICING

- MSRP: \$29.95
- UPC: 609098818261

DESCRIPTION

Built for rapid phone charging, making use of a 2.4A design that offers lightning-fast power transfers, and the built-in battery bank ensures that you can charge your phone even when you're away from your vehicle.

The durable, all-metal ISBB47 has been built with an integrated DC cigarette lighter charger that allows it to draw constant power from your vehicle when you're driving, simultaneously charging both your phone and the built-in battery storage bank.

FEATURES

- 1,200 mAmp
- Provides up to 5 hours of extra talk time
- Works with any smartphone
- Stainless steel and aluminum construction
- Built-in flashlight offers 24 hours of light
- Built-in spring loaded tip glass breaker
